Mabanol Industrial Clean 60 IP

Water-insoluble, odorless cold cleaner

Application
Mabanol Industrial Clean 60 IP is a water-insoluble cold cleaner made from high-quality synthetic hydrocarbons, which is primarily used for cleaning and degreasing in industrial production. The product easily removes oil, grease, dirt and resin deposits from work-pieces and tools as well as from machines, engines and chassis.

Properties
Mabanol Industrial Clean 60 IP is low in aromatics, colorless, offers excellent degreasing and cleaning effects, dries quickly and is odorless.

Remarks
For cleaning material surfaces by applying with a brush, sponge, brush or spraying.

To be on the safe side, the tendency to stain non-ferrous metals and non-ferrous metal alloys should be checked before using the product.

Disposal can take place via oil separators or by specialist companies.

Data

	Unit	Value
Appearance concentrate		colorless, clear
Density at 15°C	kg/m³	761
Kin. Viscosity at 40°C	mm²/s	1
Flash point	°C	60
Aromatic content	%	< 0,001
Evaporation rate	Ether=1	86

Shelf life / storage conditions
Stable for 24 months when stored at a temperature of 5°C to 40°C in unopened containers

The above values may vary within the commercial limits.
