

Mabanol Industrial Clean 63 TB

Water-insoluble, odorless cold cleaner

Application

Mabanol Industrial Clean 63 TB is a water-insoluble, mineral oil-based cold cleaner that is mainly used for the intermediate and final cleaning of components. The product is recommended for materials made of steel (alloyed and unalloyed), cast iron, aluminum and non-ferrous metal that are not wetted with water.

Remarks

To be on the safe side, the tendency to stain non-ferrous metals and non-ferrous metal alloys should be checked before using the product.

Properties

Mabanol Industrial Clean 63 TB is low in aromatics, colorless, offers an excellent cleaning effect, dries quickly and evaporates without leaving any residue.

Data

	Unit	Value
Appearance concentrate		colorless, clear
Density at 15°C	kg/m ³	790
Kin. Viscosity at 40°C	mm ² /s	1
Flash point	°C	63
Aromatic content	%	< 0,01
Evaporation rate	Ether=1	150

Shelf life / storage conditions

Stable for 24 months when stored at a temperature of 5°C to 40°C in unopened containers

The above values may vary within the commercial limits.
