

Mabanol Industrial Clean 67 IP

Water-insoluble, odorless cold cleaner

Application

Mabanol Industrial Clean 67 IB is a water-insoluble cold cleaner containing mineral oil, which is mainly used for the intermediate and final cleaning of components. The product is recommended for materials made of steel (alloyed and unalloyed), cast iron, aluminum and non-ferrous metals.

Due to its special properties, Mabanol Industrial Clean 67 IP can also be used for cutting glass.

Properties

Mabanol Industrial Clean 67 IB is low in aromatics, colorless, offers an excellent cleaning effect and dries quickly.

Remarks

To be on the safe side, the tendency to stain non-ferrous metals and non-ferrous metal alloys should be checked before using the product.

Due to the selected raw materials, there is a possibility of slight deviations in color and appearance. However, these do not affect the functionality of the product.

Data

	Unit	Value
Appearance concentrate		colorless, clear
Density at 15°C	kg/m ³	763
Kin. Viscosity at 40°C	mm ² /s	1
Flash point	°C	67
Aromatic content	%	< 0,001
Evaporation rate	Ether=1	100

Shelf life / storage conditions

Stable for 24 months when stored at a temperature of 5°C to 40°C in unopened containers

The above values may vary within the commercial limits.
