

# Mabanol Radon Gear ATF 9 Speed

High Performance Automatic Transmission Fluid

## Application

Mabanol Radon Gear ATF 9 Speed is a high-performance automatic transmission fluid and was developed for use in various 9-stage automatic transmissions from Mercedes-Benz, for which an automatic transmission oil with the specification MB 236.17 is required.

## Recommended for

- MB-Sheet 236.17

## Properties

Mabanol Radon Gear ATF 9 Speed's formulation brings together high-quality synthetic base stocks with a suitable additive package.

It meets stringent fuel economy standards by virtue of its low viscosity grade. Further to the above it offers various extraordinary attributes which include very good thermal properties, a very low pourpoint as well as resistance against vibration. It provides protection against wear, corrosion and oxidation, thus ensuring a smooth driving experience and longest lifetime.

## Data

	Unit	Value
Density at 15°C	g/cm <sup>3</sup>	0,840
Kin. Viscosity at 40°C	mm <sup>2</sup> /s	17,10
Kin. Viscosity at 100°C	mm <sup>2</sup> /s	4,23
Viscosity Index		161
Flash point COC	°C	174
Pourpoint	°C	-57
